Liverpool Schools Rowing Association Job Spec

Purpose of the Post –

To support the development of the Young People's Programme by working with specific schools as part of the Liverpool Schools Rowing Association.

To support and develop Mersey Rowing Club including development of an Adult Learn to Row Scheme.

Line Management -

A core team made up of members of Mersey RC, LSRA and British Rowing

General Responsibilities-

- Coaching within Mersey RC and Liverpool Schools Rowing Association to deliver agreed work programme targets
- Monitoring & Evaluation; weekly timesheet, registers and end of term figures to be submitted as agreed
- Facilitating the assigned partnerships to develop their coaching structures.
- Delivering specific Mersey RC/Liverpool Schools Rowing Association projects
- Attending relevant "local" Coaching & Development Team Meetings
- At all times presenting a positive image of Mersey RC / LSRA and the sport of Rowing.
- Present a positive image British Rowing its committees, volunteers and staff at all times.
- Perform any other duties as and when required.
- Working with SSP partners to develop new links with rowing in schools

Outcomes

- Successful delivery of the targets of the coach work programme.
- Increase participation (both junior and senior) rowing at Mersey Rowing Club.
- Development of individual coaching skills and knowledge
